

# DEMOCRATIC REPUBLIC OF THE CONGO

SEAN RORISON

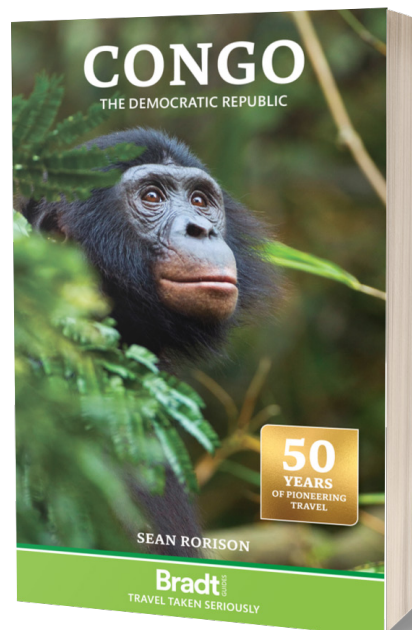

New from Bradt, Democratic Republic of the Congo is the only dedicated, up-to-date, English-language guidebook to this thrilling African destination. Almost twice the size of the European Union, the continent's second-largest country offers plenty for adventurous travellers to explore – notably unique wildlife-watching opportunities such as reserves where you can see the giraffe-like okapi, bonobo (aka pygmy chimpanzee), and both mountain and eastern lowland gorillas.

## KEY SALES POINTS

- Pristine landscapes: more than a tenth of the country is protected through national parks and nature reserves
- Bonobo and okapi occur nowhere else in the world
- DRC holds the world's largest lava lake.
